

OMNISCAPE WORLD TOUR

TH3 CH1MP5

FEATURING

DJ CIRCÛIT MÔDE

Find the habitat flow

THE HOME PLANET PLAYLIST:
CIRCUITSCAPE & OMNISCAPE // APPLIED SCIENCES POSTER SERIES

 Get ready for some sick beats from two electrifying applications: Circuitscape and Omniscape. These software packages dropped a circuit board remix so hot it's changing the way scientists monitor species' habitats. Now they can track how species keep the party moving from place to place — and plan their conservation efforts around their movement.
