NASA ARSET: Disaster Assessment Using Synthetic Aperture Radar

Part 2: Landslides- Anaconda Installation Instructions

Find the Anaconda Installer for your Operating System

Open the home page for the Anaconda Installation
(https://docs.anaconda.com/anaconda/install/)

You may wish to review the system requirements (listed at the top of the page) before proceeding.

Under the list of system requirements, you will see a bulleted list of links. Click on the appropriate link for your computer's operating system. For convenience, the links to the most common operating systems are provided below.
