

# GRACE FINSTROM

NASA Capacity Building  
Program Intern

## **How Do You Help CBP?**

I am one of the team's Communication Coordination Leads; I also assist with data analysis and strategy planning.

## **What Makes You Tick?**

When I was a child, I read about Homer Hickam. Although he faced near impossible odds, a love of mathematics and learning propelled him to do extraordinary things and help many people. I remember thinking, "I want to learn like that. I want to help people."

## **About Me**

Mechanical/Aerospace  
Engineering Student at  
Montana State University

"Everything is physics and math" -  
Katherine Johnson
