

ZAC MARKS

TEAM LEAD FOR STRATEGY DEVELOPMENT

WHAT HIS FRIENDS HAVE TO SAY

"Zac can be characterized as very introverted and quiet; however, he is a smart guy".

"To Zac, working for NASA means doing meaningful service that has a real impact".

"A few of Zac's favorite activities include just hanging out with friends, hiking, and getting people together for fires and barbecues".

"Zac wants to be very successful which drives him in what he does. He is always moving forward and finding the answers to questions that interest him".

"Zac's favorite college experience is probably playing baseball with his team and being apart of road trips".
